Keeping young people safe

All Business Volunteers will need to undertake an enhanced DBS (Disclosure and Barring Service) Check prior to starting in the role as part of our commitment to keep young people safe.

In the vast majority of cases DBS checks which contain information on previous convictions will not disqualify an individual from volunteering- if you have any questions please contact the Young Enterprise Volunteering Team at volunteer.support@y-e.org.uk

All Business Volunteers will also be asked to complete Safeguarding Training online prior to starting the role.
