

# Service principles

Help me to...

1. Understand that each stage of the recruitment cycle is important and impacts the outcome of recruitment. Also, that there is a relationship between each stage.
2. Understand the different tools and techniques I can use across the recruitment process.
3. Understand what good practice looks like.
4. Understand and challenge my view on who can be and who would want to be a trustee.
5. Understand the value of having a diverse board and what it means for my charity.
6. Inspire me and give me the confidence to try something new and bring people along with me.
